Sunrise, FL 33351

Dear Ira,

Therapik has received the **North American Fishing Club** Member Tested & Recommended Seal of Approval!

You should have already received an email from me containing a digital file of the NAFC seal of approval.

When you use the Seal of Approval Logo, it will be recognized by hundreds of thousands of NAFC members when they visit their favorite stores and when they see your advertisements.

When you use the logo and/or quotes from the reports, please send a sample to me for our files.

If you have any questions, or have other products you would like to promote, please contact me.

Thanks again for your support of the **North American Fishing Club** Field Tested Program.

Sincerely,

A.A. Reich

J.J. Reich
